*A DIVISION OF CHARMED I'M SURE!*

**Specializing in Unique  
Liturgical Stoles,  
Alter Cloths, and Banners**

**Our love of quilting and fabric art shines through in every stole.**

**We create unique stoles geared to each color of the liturgical calendar and those special occasions like baptisms and weddings.**

**Most stoles are reversible, so you get more for your dollar. Our way of saying thanks for all the work you do.**

**Below is one of our happy customers, Laurel, who is wearing a custom Pentecost Stole.**

**Steeplebush Stoles is the artistic collaboration of two long time quilters and UCC "Church Ladies."**

**After years of seeing clergy wearing lackluster stoles, we decided to merge our quilting art with stole design.**

**Thus, the beginning of Steeplebush Stoles!**
